## WHAT I'M STANDING FOR.

I love my neighbourhood, but under the control of career politicians, it's become a mess! As an independent, I bring many useful skills as an experienced and effective leader, educator, researcher, planner, promoter and trusted adviser to communities, businesses and government. Please elect me to restore **FAIRNESS, TRUST** and **PRIDE** in our local council. As your representative, I want to see us all gain better value, access and enjoyment from the City of Yarra.

## WHAT'S ON YOUR MIND, COLLINGWOOD?

1. Better Value for Residents & Ratepayers
2. Restore Trust In Our Council
3. Save Public Housing
4. Keeping Our Streets Clean
5. More Green Spaces for Collingwood
6. Prioritising Pedestrian Safety & Accessibility
7. Feeling Pride in Our Community
8. Scrap The Bin Tax
9. Fairer, More Accessible Parking & Transport Options
